90 Hanbury Street, E1 5JL - 020 7247 7838

336 Battersea Park Rd, SW11 3BY - 020 7924 3939

## Barista training by doppio:

An introduction to the different coffee origins, blends and the different methods of growing and roasting.

Your equipment: setting up the coffee machine and grinder, the importance of the freshness and the packaging.

Brewing the perfect espresso, all about espresso and pouring shots, learn about the rate of pour, how fast or slow it should run.

Making espresso-based drinks: long/short black/white americano, milk-based drinks, cappuccino, latte, macchiato, espresso, flat white, etc.

Steaming the milk accurately and consistently for velvety smoothness.

The importance of cleaning and maintenance, daily and monthly routine.

Simple faults and problems, get to know what are the most common problems and how to quickly fix them.

Price: 1 person £50, 2 persons £90, 3 persons and on £40/each.  
Between 1 to 2 hours session.

## Training solutions for wholesale clients:

Part of our 360° customer service.

Can be done either in our warehouse or on spot.

Refreshment sessions are provided as well.
